[Approved June 18, 1878.]

NOTES AND EXPLANATIONS.

Officers are credited with actual service in the permanent establishment from date of acceptance, except in the case of graduates of the Military Academy, whose services commence from date of admission to the academy.

Officers are credited with actual service in the Volunteers from date of muster into the service of the United States or from date of acceptance in the cases where service was rendered under a commission by the President of the United States.

Officers in each branch of the service are arranged according to their relative rank, as provided under Sec. 127a, Act of June 4, 1920.

Under the heading "Appointed from" the initials "M. A." denote that the officer is a graduate of the Military Academy.

The initials "M. H." under the name of an officer denote that a Medal of Honor has been awarded to him.

The initials "D. S. C." under the name of an officer denote that a Distinguished-Service Cross has been awarded to him.

The initials "D. S. M." under the name of an officer denote that a Distinguished-Service Medal has been awarded to him.

Errors or omissions should be immediately reported to The Adjutant General of the Army by those concerned.

Officers who are graduates of well-recognized universities, colleges, technical schools, etc., which confer degrees will report to The Adjutant General of the Army the degree or degrees conferred upon them by such institutions in cases where such degrees are not already noted in the Army Register. They will also report the year in which degrees are conferred.

Where the expression from such a date to such a date is used—for example, from Aug. 29, 1916, to June 30, 1920, both dates are inclusive.
